Hello,  
So this is what I am in desperate need of..

Homeopathic Bleeder Plus  
VO2Max  
Power Bloc  
Omeprazole liquid  
BPR Blue

Eventually potentially need.. but here is what I can get them at the compounded price.. See if worth making a batch or just get sourced thru Boothwym or Rapid Equine

Acetylcysteine Rapid price \$16.88  
Folix 5 x Rapid Price \$19.80

Labels need to meet or exceed whats required before you send to me :)

thx Lisa
